

## CONFERENCE PROGRAM ADDRESSES THE FOLLOWING QUESTIONS:

### SECTION "BIOLOGY"

1. Human as nature part, person-nature relationship.
2. Fundamental and Applied Research in Biology and Ecology.
3. Human health as a biomedical, environmental and socio-economic component.
4. Environmental competence as a strategy for health and conservation behavior in the environment.
5. Conservation of plants and animals in the protected areas of Ukraine and Europe.
6. Research for sustainable use of natural resources in the third millennium: scientific research.
7. Development of experimental biotechnology and genetic engineering in the context of maintaining human health.

### SECTION "MEDICINE"

1. Present-day aspects of human pathology under the global environmental crisis.
2. Regional medical and ecological problems and the ways to solve them.
3. Present-day morphology problems in practical medicine.
4. The role of modern methods in the study of the structural organization of tissues and organs.
5. Human tissues and organs morpho-functional state under the normal conditions and pathology.
6. Human organs and systems individual anatomical variability and their importance for practical medicine.
7. Theoretical and clinical perspectives of age-related anatomy.

### SECTION "PEDAGOGY"

1. Contribution of scholars in the development of medical, biological, pedagogical sciences in Ukraine and other countries.
2. Methods of teaching medical and biological disciplines in institutions of higher education.
3. Current approaches to creating a health-friendly educational environment in an educational setting.
4. Teaching museums and their role in educational and research work of academic departments.
5. The teachers role in the medical professionals training.
6. Cooperation of Ukrainian and foreign educational institutions and its role in improving the efficiency of specialist training.
7. Educational technologies role in health care.

*The conference will include workshops, lectures, eco-quest, scientific picnic, master class, and pedagogical training*

### DAY I.

Provides a lectures format on «European dimensions of sustainable development».

### DAY II.

Provides a workshop format «Applied morphology aspects: achievements, problems, prospects», dedicated to the 80<sup>th</sup> birthday of professor Ya. I. Fedoniuk.

### DAY III.

Provides a pedagogical training format on «Theoretical and methodological foundations of health pedagogy».

### FORMS OF CONFERENCE PARTICIPATION:

- Oral report and publication.
- Poster report and publication.
- Publication only.
- Attendee.

### OFFICIAL LANGUAGES OF THE CONFERENCE:

- Ukrainian.
- English.
- Russian.

### REPORT LENGTH:

- Oral: up to 15 minutes.
- Poster stand: up to 5 minutes.
- Speech during discussion: up to 3 minutes.

The organizing committee provides a multimedia projector, interactive whiteboard and video system to the speakers.

### FORMS OF PUBLICATION:

Abstracts will be published in the Conference Proceedings.

**Information about the conference is available  
on the Open Conference System website  
<http://conference.tdmu.edu.ua/>**

## STRUCTURE OF THE PAPER:

*Title of the work (in capital letters)*

*Initials and surnames of the authors*

*Full name of the Institution*

*E-mail*

*Text*

Each of abstract sections must be indented.

Abstract should have new, previously unpublished, scientific results and may be submitted in Ukrainian, Russian or English.

Thesis volume up to 4 pages. All manuscripts should be 1.5 spaced in Times New Roman Font (size: 14, MICROSOFT Word 97). Paragraph indent is 1.25 cm. Top, bottom, left, and right page margins are 2.5 cm.

The abstract should be sent in together with the recommendation about the possibility of publishing scientific research and accompanied by feedback from research supervisors.

Below the text are obligatory signatures of the authors, stating that this work has not been previously published in other editions.

*Submissions may be returned if the authors do not adhere to these guidelines.*

**PUBLICATION FEES: without charge**

**Electronic version of the abstract in the format «doc» or «rtf» and participant's registration card must be submitted to e-mail: [skyba@tdmu.edu.ua](mailto:skyba@tdmu.edu.ua)**

**THE DEADLINE FOR SUBMISSIONS  
is February 15, 2020**

## PARTICIPANT'S REGISTRATION CARD

Application for participation  
in the international conference

«MEDICAL AND BIOLOGICAL ASPECTS  
OF HUMAN HEALTH AND THEIR  
MULTIDISCIPLINARY INTEGRATION»

(9-11<sup>th</sup> of April, 2020)

Please register me as a participant of the conference:

Surname \_\_\_\_\_

Name \_\_\_\_\_

Degree \_\_\_\_\_

Academic status \_\_\_\_\_

Work place: \_\_\_\_\_

Position \_\_\_\_\_

E-mail \_\_\_\_\_

Contact phone \_\_\_\_\_

Form of participation in the conference (underline)

- oral report and publication;
- poster report and publication;
- publication only;
- attendee.

Required presentation tools (underline):

- multimedia projector;
- interactive whiteboard;
- other \_\_\_\_\_.

Please reserve for me: \_\_\_\_\_ places in the hotel from  
«\_\_\_\_\_» to «\_\_\_\_\_» April 2020
